Book Review

Culture, Policy, and Money in Character Education

Thorny Research

University Education

Review by Robert Kusama, Curriculum and Instruction, Indiana University Bloomington, IN 47405-3172.
The document contains text that is not legible due to the image quality. It appears to be a page from a book or a document discussing topics related to cultural studies and education. The text seems to be discussing the influence of culture on education and the role of education in shaping cultural identity. The document mentions the importance of understanding cultural differences and the need for education systems to be inclusive and culturally responsive. However, the specific content is not clear due to the image quality.
